**REVISED
DATES!**

Dear Prospective Practical Nursing September student:

Thank you for choosing Tennessee College of Applied Technology Pulaski for your educational goals. We are excited about having you as a student and becoming a future nurse.

To be eligible for admission, you must either have an acceptable ACT score of 19 in reading AND a 19 in math or a HESI score of 70 in reading and 70 in math. The ACT cannot be a composite score. **Only those that have graduated high school within the last year can use their ACT.** To schedule the HESI exam and pay the \$42 fee, please call Melissa 931-424-4014 as soon as possible. You will need to pre-pay before the test date with cash, check or credit card to reserve a spot. If you fail to show on your scheduled date, you forfeit the \$42 and you must re-schedule and repay the fee. Passing scores are required by Monday, June 20th, 2022.

You will need to complete a Tennessee College of Applied Technology application online at www.tcatpulaski.edu/apply/now as soon as possible and no later than enter date. Please see the instructions on the last page. If you do not have access to internet, you can apply at TCAT in Pulaski.

Enclosed in the packet, you will find a list of deadlines and important dates. Please read carefully and follow all directions.

There are 3 *blank reference forms* that need to be completed and returned Monday, June 20, 2022. Please ask those providing your reference to put in a sealed envelope. These references can be provided by an employer, teacher, professional, etc... immediate family members and friends are not acceptable references.

Proof of any healthcare experience should be returned in your packet as well as proof of any Health Science classes taken in high school. This can be accomplished by a letter from the HOSA teacher, your transcript, or HOSA membership card. It is strongly encouraged that all individuals entering the PN program obtain some *healthcare experience* prior to enrollment.

Mandatory Information Session: June 23, 2022

For those that have submitted passing HESI scores or acceptable ACT scores, you are **required** to attend the **MANDATORY INFORMATION SESSION** ON Thursday, June 23, 2022 @ 9:00 am. The meeting will last until approximately 12:00 noon. CHILDREN are not allowed at this meeting.

Practical Nursing students are accepted based on a points system. Simply passing the HESI does not guarantee entry into the program. Acceptance into the Practical Nursing program is not automatic, even though an applicant may be academically qualified. Class size is limited by clinical sites and classroom space as well as faculty availability. Applicants will be notified by letter of acceptance contingent upon a **clear criminal background check and a negative drug screen**. We provide the instructions for these two items. The class hours are 8:00 am until 2:30 pm Monday through Friday. Proof of CPR certification can be turned in at any time. CPR must be American Heart Association Basic Life Support for the Healthcare provider. If you do not have CPR certification, a class will be offered at a later date. Acceptance letters will be mailed on Monday, June 27, 2022.

If you have any questions or would like to discuss the program further, feel free to call or visit our campus at any time.

Sincerely,

A handwritten signature in cursive script that reads "Amy Key RN, BSN".

HOW TO APPLY FOR FINANCIAL AID

You must complete and submit the **2022-2023 FAFSA** to apply for federal student aid and for state and institutional aid. The SCHOOL CODE for the Tennessee College of Applied Technology-Pulaski is **009464**.

There are 3 ways to apply for financial aid. You will need to have your **2020 tax returns and W2's** available in order to apply for any financial aid.

Option #1-Go to fafsa.gov and apply online

Option #2-go to <https://studentaid.gov/sites/default/files/2022-23-fafsa.pdf> to print a PDF version of the FAFSA

Option #3-Call 1-800-4-FED-AID (1-800-433-3243) and request a paper application by mail

If you choose to apply using *Option 1* listed above, you will need to create an FSA ID.

Please see attachment for further instructions on creating an FSA ID.

Select the option to “Fill out your FAFSA”, and then select the “appropriate year FAFSA”. At this point you will proceed and begin completing the FAFSA by answering each question that is asked. Do not leave any questions blank when completing the online FAFSA. If you fail to answer all the required questions, you will not be allowed to move on to the next screen. Once you have completed the entire application you will be asked to sign electronically. Be sure to submit the application completely, and do not close the web page until you receive a submission confirmation and get a confirmation number. If you do not get a confirmation number, then your application was not submitted correctly and will not be processed and sent to the school.

If you choose to apply using *Option 2 or 3* listed above, you will need to simply complete and sign the paper FAFSA form and mail it to the address listed on the FAFSA application, which is Federal Student Aid Programs, PO Box 7650, London, KY 40742-7650.

If you complete the FAFSA online, please allow 7-10 days for processing. Allow 3-4 weeks for the paper applications to be processed. You may contact the school after allowing the appropriate processing time for your FAFSA to inquire about eligibility.

Creating and Using the FSA ID

What's an FSA ID?

The FSA ID is a username and password you use to log in to U.S. Department of Education (ED) online systems. The FSA ID is your legal signature and shouldn't be created or used by anyone other than you—not even your parent, your child, a school official, or a loan company representative. You'll use your FSA ID every year you fill out a *Free Application for Federal Student Aid* (FAFSA®) form and for the lifetime of your federal student loans.

How do I get an FSA ID?

Visit StudentAid.gov/fsa-id/create-account to create an FSA ID. You'll need your Social Security number, full name, and date of birth. You'll also need to create a memorable username and password, and complete challenge questions and answers so you can retrieve your account information if you forget it.

You'll be required to provide either your email address or your mobile phone number when you make your FSA ID. Providing a mobile phone number and/or email address that you have access to will make it easier to log in to ED online systems and allow additional account recovery options.

Important: A Social Security number, email address, and mobile phone number can only be associated with one FSA ID. If you share an email address with someone else, then only one of you will be able to use that email address to create an FSA ID.

FSA ID Tips

- If you need to provide information about your parents on the FAFSA® form, one of your parents will need an FSA ID to sign the form. Your parent can create an FSA ID and then sign the FAFSA form electronically using that FSA ID. Not sure whether you'll need to put your parents' information on the FAFSA form? Check out StudentAid.gov/dependency. **Remember:** You should create your own FSA ID, and your parent should create his or her own FSA ID. Also, make sure to use the correct FSA ID when signing the FAFSA form electronically.
- When you first create your FSA ID, the use of your FSA ID will be restricted to completing, signing, and submitting an original (first-time) FAFSA form. You'll have to wait one to three days for your information to be confirmed by the Social Security Administration (SSA) before you can use your FSA ID for other actions, such as submitting a FAFSA Renewal or signing a *Master Promissory Note*. If you provided an email address, then you'll receive an email letting you know that your information was successfully matched with the SSA and you can begin using your FSA ID.
- If you forget your FSA ID username or password, look for the "Forgot My Username" and "Forgot My Password," links on log-in pages. These links will direct you to web pages where you can request a secure code to be texted to your verified mobile phone number or emailed to your verified email address. The secure code will allow you to retrieve your username or reset your password. You can also retrieve your username or reset your password by successfully answering your challenge questions. **Remember:** If you verified your email address or mobile phone number during account creation, you can enter your email address or mobile phone number instead of your username to log in.

Learn more about how you can use your FSA ID at StudentAid.gov/help-center/answers/article/how-can-i-use-my-fsa-id-username-and-password. Find this fact sheet at StudentAid.gov/resources#fsaid.

March 2020

How to create an FSA ID

The FSA ID — a username and password — has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging in to fafsa.gov, the National Student Loan Data System (NSLDS®) at www.nsls.ed.gov, StudentLoans.gov, StudentAid.gov, and Agreement to Serve (ATS) at www.teach-ats.ed.gov.

Tip: Important: Only the owner of the FSA ID should create and use the account. Never share your FSA ID.

Step 1

When logging in to one of the websites listed above, click the link to create an FSA ID.

Step 2

Create a username and password, and enter your e-mail address.

Step 3

Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.

Step 4

If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.

Step 5

Review your information, and read and accept the terms and conditions.

Step 6

Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the websites.

You can use your FSA ID to sign a FAFSA right away. Once the Social Security Administration verifies your information in one to three days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the websites listed above. For help, visit StudentAid.gov/fsaid.
