## PRACTICAL NURSING

The mission of the Practical Nursing Program is to prepare students through classroom and clinical training to be productive members of the healthcare team. A high school diploma or HiSet/GED is required. Applicants should have good mental and physical health, high morals, ethical standards, and an interest and aptitude for the occupation of nursing. The length of the course is approximately 12 months. Completion of the program results in a Practical Nursing Diploma. Applicants of this program should be aware that a mandatory criminal background and drug screening will be required. All applicants must take and pass the HESI exam with the minimum requirement to be considered for acceptance into the Practical Nursing Program. Applications for this program are taken at different times during the year. Please contact the school for the next enrollment dates.
