**BUILDING CONSTRUCTION
TECHNOLOGY-SUMMERTOWN**

The mission of the Building Construction Technology Program is designed to teach dual enrolled high school and adult students skills relating to residential electrical wiring, carpentry, masonry, and plumbing. In addition, a core craft skills section will include safety, math, tools, rigging, communications, and employability skills. The program includes a study involving work ethics that incorporates instruction relating to proper workplace attendance, character, teamwork, appearance, attitude, productivity, organizational skills, communications, cooperation, and respect.

Employment Opportunities:

- Building Contractors
- Electrical Contractors
- Plumbing Contractors

Program Instructor:
Joe Chapman
Joseph.Chapman@lcss.us
931-964-4406
