TCAT PULASKI DUAL ENROLLMENT INFORMATION

WHO IS TCAT- PULASKI?

The Tennessee College of Applied Technology Pulaski serves students in Giles County and surrounding areas in southern Middle Tennessee. Along with the main campus in Pulaski, programs are offered in Giles, Lawrence, Marshall, Maury, and Lincoln County.

WHAT IS DUAL ENROLLMENT?

The term "Dual Enrollment" refers to students being enrolled in two educational institutions at the same time. Students would be enrolled in high school and get college credit from TCAT-Pulaski at the same time. Dual Enrollment is free of charge to students, provided they are eligible for the dual enrollment grant.

WHAT DO WE DO NEXT?

- Fill out the following forms:
 - Dual Enrollment Registration Form
 - Dual Enrollment Account Log-In Creation Form
 - Authorization to Disclose Academic Information (FERPA) Form
 - Dual Enrollment (DE) Participation Form
 - Dual Enrollment Grant (DEG) Consortium Agreement Form (ONLY fill out if your child is enrolled in more than one college)
- Turn in by DEADLINE!
- Make sure the TCAT-Pulaski dual enrollment specialist has all your information and hours per day to receive credit.
- Make sure you talk with your instructor before any absences and be on time for class.

WHEN & WHERE WILL MY CHILD ATTEND DUAL ENROLLMENT CLASSES?

Your child will attend their dual enrollment classes based on which high school they attend and their individual class schedule. Some students come to the TCAT-Pulaski Campus for classes, while others attend at their high school campus or instructional center. Talk with your school counselor with further questions or call us at 931-424-2409.

WHAT HAPPENS AFTER GRADUATION?

The credit successfully earned while taking advantage of dual enrollment transfers over entirely when the student graduates high school, enrolling now as an "adult student" from "dual enrollment" status. Call our admissions department at 931-424-2428 to get that "adult" application taken care of, and learn about further admissions steps.

MORE QUESTIONS?

We would LOVE to hear from you about your child's success! Dual Enrollment is a great opportunity to get closer to a career and paycheck before you even graduate high school while keeping costs down. If you have any questions for us at TCAT, just give us a call or stop by for a visit.
