RESIDENTIAL/COMMERCIAL WIRING AND PLUMBING

The coursework of the Residential/Commercial Wiring and Plumbing Program is structured around the NCCER curriculum. The mission of this program is designed to help prepare students for the State Limited Licensed Plumber and Electrician Exams. The program is self-paced and is formatted so the student will spend extensive training in a hands-on environment. National Electric Code applications and safety are strongly emphasized. Actual wiring and plumbing of a mock duplex ensures realistic training experiences utilizing electrical and plumbing components.

Employment Opportunities:

- Residential Contractors
- Commercial Contractors
- Manufacturing

Program Instructors:

Lawrenceburg Instructional Service Center
John Jacobs
South Lawrence Instructional Service Center
Jason Hickman

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website, www.tcatpulaski.edu	

AA/EEO

Residential/Commercial Wiring & Plumbing Course Outline

First Trimester	
Worker Characteristics	6 Hours
Orientation Safety Alcohol Education and Haven Training	6 Hours
Technology Foundations	24 Hours
Safety	30 Hours
Core Curriculum	118 Hours
Intro to Electrical	124 Hours
Intro to Plumbing	124 Hours
Electrical Wiring & Plumbing Helper I Certificate	432 Hours
Second Trimester	
Worker Characteristics	6 Hours
Required Outlets and Information	90 Hours
Conductors Interrupters & Luminaires	84 Hours
Branch Circuits	84 Hours
Laundry Garage and Work Area Circuits	84 Hours
Special Purpose Outlets	84 Hours
Electrical Wiring and Plumbing Helper II Certificate	864 Hours
Third Trimester	
Worker Characteristics	6 Hours
Low Voltage and Alarms	72 Hours
Service Entrance	72 Hours
Overcurrent Protection	72 Hours
Types of Pipe Fittings and Valves	108 Hours
Fixtures and Equipment	102 Hours
Electrical Wiring and Plumbing Apprentice Certificate	1296 Hours
Fourth Trimester	
Worker Characteristics	6 Hours
Water Distribution Installation	108 Hours
Drainage Waste & Vent Installation	108 Hours
Fixture and Equipment Installation	108 Hours
Troubleshooting	102 Hours
Electrical Wiring Journeyman Diploma	1728 Hours
Fifth Trimester	
Worker Characteristics	6 Hours
NEC Review	90 Hours
Electrical Licensing Review	96 Hours
IPC Review	96 Hours
Plumbing Licensing Review	96 Hours
Internship/Final Project	48 Hours
Plumbing Journeyman Diploma	2160 Hours
